

El Toro Water District

"A District of Distinction"

Serving the Public - Respecting the Environment

February 8, 2021

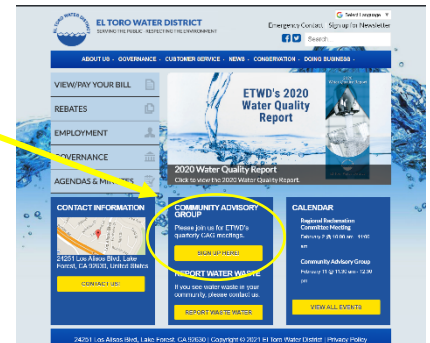

Dear CAG Member:

As we noted in a previous letter the ETWD is making an effort to streamline the CAG invitation and registration process to make it more efficient for CAG members and ETWD staff. As the District works through that transition **the February 11, 2021 Community Advisory Group meeting has been canceled.**

In order to facilitate invitations to future CAG meetings, please take a few brief moments to register your information so that we are ready to go electronically for the next meeting in May 2021. This will allow CAG invitations to be sent out by email with a live link to access the Zoom meeting until we are able to conduct live meetings again.

IMPORTANT - NEW CAG REGISTRATION PROCESS

- Visit www.etwd.com
- Click on the Community Advisory Group "Sign Up Here" button
- Enter your name, email, address and/or organization that you belong to
- Click Sign Up

You will then receive the CAG quarterly meeting invites and agendas by email and can directly link to the meeting through your computer, phone or tablet.

If you have any questions or do not have an email address, please contact Polly at (949) 837-7050 x225, pwelsch@etwd.com or Sherri at (949) 837-7050, ext. 239, sseitz@etwd.com.

We look forward to seeing you at the next CAG meeting.

Sincerely,

EL TORO WATER DISTRICT

Dennis P. Cafferty
General Manager
