

**EL TORO WATER DISTRICT
APPLICATION FOR CONSTRUCTION METER**

Date: _____

Request is hereby made to use water from fire hydrant at: _____

Name: _____

Mailing Address: _____

Telephone: _____

Tax ID: _____

Estimated Quantity of Water Needed: _____

Approximate Length of Time Meter Needed: _____

The rates for service are the regular monthly rates as set forth in Tariff Sch. 9-MC:

SPECIAL CONDITIONS:

1. A \$700.00 refundable deposit will be required for each meter. Instructions on how to pay can be found here.
2. El Toro Water District reserves the right to discontinue service without notice if water is not used for a period of 15 consecutive days.
3. The customer shall notify El Toro Water District when he wishes to have the service discontinued. The regular rates including monthly minimum charge shall continue until such time as notice has been received, unless service is discontinued under Special Condition No. 2 above.
4. Prior to installation of the construction meter, applicant shall provide an eddy valve between the hydrant and construction meter. Applicants are not permitted to operate the fire hydrants once meter is set.
5. An employee of El Toro Water District shall secure the meter to the nearest fire hydrant. If for any reason said meter should be damaged, stolen, or lost, the applicant shall be billed for the replacement cost of the meter less the deposit.
6. The District will move a meter within a project at a cost of \$50.00 per move.
7. If during the course of obtaining construction water, the applicant causes any damage to the District's facilities, applicant shall be billed for such damages.
8. Any temporary use of water from District hydrants must comply with the provisions of El Toro Water District Cross Connection Ordinance #1988-1. Any violation will result in immediate discontinuance of water until required corrections are made.

PERMISSION is hereby granted to use water from fire hydrant listed above at rates in effect at the time of use.
